LT DAN BURROS

New Party Secretary

Dan Burros, 24-year-old Party veteran, has officially been appointed the new National Secretary, replacing Lt. Seth Ryan who has been appointed National Organizer. Lt. Burros, a native of New York, served for two and a half years in the famed 101st Airborne Division, and the 187th Airborne Regimental Combat Team. While serving as a paratrooper, Lt. Burros unwillingly participated in the invasion of Little Rock in 1957.

To the office of National Secretary, Lt. Burros brings a vast and extensive knowledge of the philosophy of National Socialism, and a thorough background in Party operations.

Ban Service Ribbons Worn by Nazis

WASHINGTON, D.C. June, 1961 — The U.S. Defense Department issued a ruling this month that banned all organizations other than officially recognized veterans groups, from wearing ribbons earned during military service.

The move came about as the result of pressure brought against the Defense Department by Jewish groups who protested that Commander Rockwell and his Storm Troopers were wearing their service ribbons and battle stars on American Nazi Party uniforms.

INTERNATIONAL nazi news report

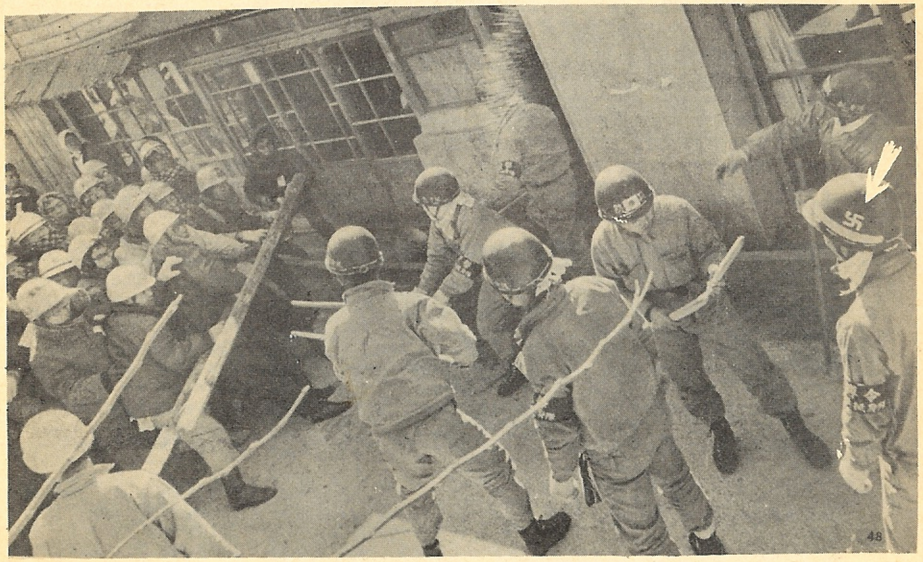
MOSCOW, U.S.S.R. -The Communists have executed two wartime Eastonian police who helped operate Nazi concentration camps that wiped out an estimated 125,000 Jews and other assorted subversives.

BADEN BADEN, GERMANY -Franz von Papen, 81, former vice chancellor under Hitler, is trying to get an old age pension as a retired World War I Army Major. Jews are making attempts to thwart von Papen's efforts on account of the services he rendered to the Third Reich. Von Papen has threatened to 'expose' ex-Nazi officials now receiving pensions from the Bonn Government. (The Jews would be extremely interested in such an exposé).

ENGLAND -The British National Party, the most dynamic, up-and-coming political force in Britain, has just ended a highly successful international encampment which was attended by leaders and representatives of National Socialist movements throughout Great Britain and the world.

Commander Rockwell was unable to attend the encampment because he has been officially banned from entering England by the government. The Commander has also been banned from six other European countries.

JAPAN -The right-wing movement in Japan has been moving up swiftly over the past year. Thousands of swastika-adorned posters can be seen all over Japan and especially in Tokyo.



JAPANESE NAZIS BATTLE COMMUNISTS -Dressed in full battle regalia, Japanese Nazis ward off a contingent of Leftists during a battle in Tokyo streets.

The Commander has appointed Lt. Seth Ryan as his personal field representative to inspect and to work with our Storm Troop Formations and other units throughout the USA. During the next year, he will be travelling to all the major cities throughout the country. Lt. Ryan will have full authority to act in the Commander's name, and the name of the party, and local leaders are directed to obey his orders as emanating directly from National Headquarters. Please help him to help you make your unit as efficient and combat-ready as possible, and try to arrange in advance for suitable accomodations for Lt. Ryan, his bodyguard and aide.

RIKSPARTIET... SIEG HEIL!

GORAN A. OREDSSON og
SVEN PETERSSON

SWEDEN -The Jews and Communists of Sweden have accused the Rikspartiet of being the leaders of a secret international Nazi movement.

The Rikspartiet has been waging a bold and courageous battle against Communism - a struggle which has involved them in street fights, jails, and the deprivation of their right to mention or use the words Zionist-Jews. The Rikspartiet is one of the most active National Socialist movements on the continent of Europe. In spite of jailings and attacks, they have steadfastly upheld the ideal of Adolf Hitler.

The Rikspartiet publishes the NORDISK KAMP, (Nordic Battle), a copy of which can be procured by writing to: Box 37, Malmö 1, Sweden.

Leader of the Rikspartiet is the dynamic GORAN ASSAR OREDSSON (see picture) speaking before a mass meeting of the Rikspartiet.

WASHINGTON, D.C. -The so-called 'Jewish War Veterans', most rabid of the Jew agitating groups in the U.S., is screaming hysterically over the presence of Adolf Eichmann's son in this nation's Capitol. Nicholas Eichmann has been writing articles for local papers in which he refutes the 'six million Jew' lie. The Jew War Veterans are trying to have young Eichmann's visa revoked. (See political cartoon on Page 7)

WEST VIRGINIA, U.S.A. -Mildred Gillars, otherwise known as Axis Sally, has been released from the Federal Reformatory for Women in Alderson, West Virginia. Axis Sally was convicted of treason for making propaganda broadcasts during World War II. She spent nearly fifteen years behind bars and is now 60 years old.

ICELAND -The government of Iceland has joined the long list of countries that have banned Commander Rockwell.

The Commander was officially informed by the Icelandic Government that he would not be permitted to visit the country almost immediately after he requested permission for a visa.

The ban will prevent the Commander from visiting his children whom he sent to Iceland for their protection during the dangerous early days of the party's struggle

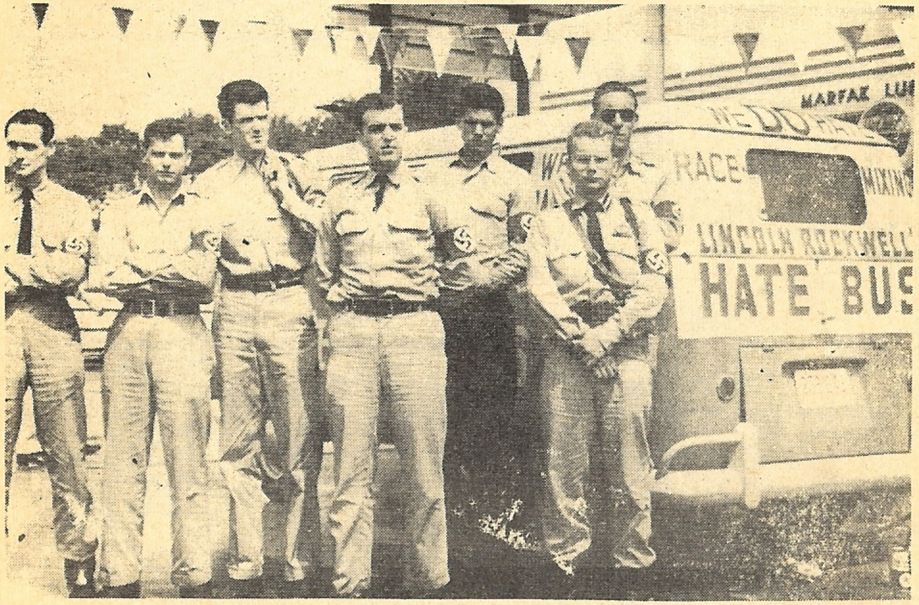
BUS CALLED HATE

Into Alabama's riot-torn capital drives a cargo of political dynamite- the new American Nazis



Rolling across the South in bold opposition to the latest Communist tactic of *'Freedom Rides'* aimed at *breaking the will* of Southern whites, American Nazi Storm Troopers drove through more than 1200 miles of Southland courageously spreading truth and hope for millions oppressed by the invasion of black puppets manipulated and directed by Jewish Communists in New York.

The Storm Troops passed through most major Southern cities. Among them, riot-torn Montgomery, Alabama, where the streets were being patrolled by armed National Guardsmen with fixed bayonets.

The Storm Troopers travelled twelve strong in a bus covered with signs that read: *"Lincoln Rockwell's 'HATE' Bus," "We Hate Race-Mixing,"* and *"We Hate Jew-Communism."* All during the trip, the men in the 'Hate Bus' were greeted and cheered by thousands of white people. Here before their very own eyes, people could see white men, finally organized and on the march, protesting integration and Communism with action instead of words.

On Tuesday, May 24, the 'Hate Bus' reached its destination. Upon arriving in New Orleans, the Commander and Storm Troops carefully began preparations for their public demonstration in front of NAACP Headquarters and the Civic theatre where the Communistic movie, 'Exodus' was being premiered.

"HATE BUS" *Continued*

At nightfall, during a very heavy downpour, the Commander and his troops began picketing in front of the Civic theatre. They were immediately arrested and charged with 'disturbing the peace by unreasonably alarming the public' — in spite of their absolute compliance with all police orders and regulations.

From all appearances, it became obvious that the troops would be kept locked up indefinitely. In order to procure for themselves the right to a speedy trial, the Commander and Storm Troops began a self-imposed hunger strike. At first, Parish Prison Warden, Murtagh Rupp and his guards were apathetic . . . they did not believe that there were white men willing to starve for their race and nation . . . but as the days began to pass, and the Nazis continued to refuse food, the opposition soon realized that the troops were in dead earnest. As the hunger strike went into its fifth day, Warden Rupp was running back and forth from his office to the cell block—almost hourly. Pressure was beginning to mount. Only after official word was received that there would be a trial the following week did the hunger strike end . . . *on the sixth day of imprisonment.*

Prosecuting attorneys for the state consisted firstly of D.A.'s Dowling and McNeil — both recipients of numerous Communist-front citations, among them a citation for membership in the notorious National Lawyers' Guild, listed as subversive by the U.S. Attorney General. Opening the case for the prosecution was Jewish Assistant D.A. Burton Klein, who conveniently became 'emotionally upset' while questioning the Commander — a task that proved far too much for Mr. Klein to handle.

Witnesses for the state were an array of frightened policemen whose livelihood stood in the balance; the chairman of the New Orleans chapter of the Anti-Defamation League, Moise Steeg, a shifty-eyed Jew who kept running back and forth from his seat to the District Attorney with "advice", and two other A.D.L. stooges, Sammy Katz and Berny Bennett — both of whom admitted to attending a special A.D.L. meeting at which steps to 'deal with Rockwell' were thoroughly discussed.

In two full days of testimony the defense showed, through competent witnesses, that the Commander and his troops complied with all police orders and regulations. The "crowd" which the Nazi pickets were supposed to have "unreasonably alarmed" consisted of not more than twenty or thirty persons, (mostly sympathizers), who were standing across the street under awnings to keep out of a very heavy downpour. In spite of all the facts establishing the innocence of the Storm Troops, Judge Haggerty found all of the Nazis guilty, imposing sentences according to each man's rank. Party officers received the bulk of the punishment.

The case is presently being appealed, and if necessary it will be fought all the way up to the U.S Supreme Court. The case involves the Constitutional question of whether or not the American Nazi Party has the right to picket peacefully and thereby express its views exposing Communism and the Jewish-Communist influence behind race-mixing.

U.S. Storm Troopers Oppose Pacifists

WASHINGTON, D.C. — With the creeping rise of pacifism in this country, American Nazi Storm Troopers have moved swiftly into action to counter-demonstrate against all pacifist activities wherever they show their ugly heads.

The pacifists advocate disarmament to prevent war, and the banning of the H-Bomb to prevent nuclear combat. This reasoning is absurd as it would be to reason that in order to prevent fires, we should ban the Fire Department, or, in order to prevent crime, we should ban the Police Department. Consciously or unconsciously, the pacifists are contributing to the internal degeneration of our nation by preaching cowardice and "co-existence".

In Washington's famed Judiciary Park, Storm Troopers appeared in open opposition to a rally being held by 'Peace Witnesses' and pacifists. The pacifists were permitted to use a platform and loudspeaker — which were denied the Nazis. The Storm Troopers managed to overcome this handicap by keeping up a barrage of loud speech-making which virtually drowned out the pacifists.

After the counter-demonstration, the Storm Troops, loudly singing the party battle song, marched by the cowardly pacifists with the swastika and stars-and-stripes whipping through the air in front of the formation.

California Nazis Protest Trial

Trooper and wife attacked by thugs...

HOLLYWOOD, CALIFORNIA 1961 — Protesting the Eichmann kidnapping, Storm Troopers Leonard Holstein and Jeffery Skinner, picketed the Israeli Consulate with signs reading: 'Eichman is the victim of vindictive Jews'. Police took them in for "questioning".

Several days later, Storm Trooper Holstein and his wife, Bonnie, single-handedly fought off a gang of thirty toughs who invaded their Hollywood apartment. The Holsteins were conducting a private meeting with friends when the hoodlums appeared and began to insult and threaten the couple. One of the gang threw an electric iron that narrowly missed Mrs. Holstein. Storm Trooper Holstein then went for his pistol and managed to hold the mob at bay until police arrived.

Last year, Storm Trooper Holstein made headlines when he was attacked in front of a Hollywood theatre while picketing in protest of the Sammy Davis—May Britt interracial marriage.

Report On YOUTH

By

Tony Wells

There has been a great deal of response from the youth of the country to our organization, both locally and nationally, in the form of requests for literature and a desire to join the party.

Since we do not accept individuals under eighteen years of age, youths are advised to write for information on how to organize their own unit, independently from ours.

There has been quite a large distribution of our literature in high schools throughout the country causing controversy and for the most part, favorable response. We are also making large advances in the colleges and prep schools throughout the nation as many of the students are forming discussion groups and are extremely interested in National Socialism.

Nazis Protest the Eichmann Crucifixion

WASHINGTON, D.C. — American Nazi Storm Troopers staged a public demonstration in protest to the illegal kidnapping and forceful imprisonment of Adolf Eichmann. Storm Troopers began the demonstration by picketing in front of the Israeli embassy with signs reading: "Why not crucify Eichmann — like the last Jew lynching in Jerusalem?"

The Storm Troops then marched through city streets over to the Washington headquarters of the Anti-Defamation League where they concluded the activity by picketing for more than two hours in front of the main entrance.

NAZI TROOPER AQUITTED in Philadelphia

PHILADELPHIA, PA. June, 1961 — Criminal Court Judge Theodore Reimel dismissed charges of Conspiracy and Inciting to Riot against Storm Trooper Ralph Forbes earlier this month after a jury acquitted him. Also acquitted were two members of the Fighting American Nationalists.

Forbes was arrested last February when he attempted to picket in front of a Philadelphia theatre showing 'Exodus'. He was subsequently subjected to thirty days of solitary confinement in Moyamensing Prison before being released on bond. After the trial, during which Forbes acted as his own defense counsel, he was brutally assaulted by a crowd of Jews outside the court room. One Jew attacked him with a can opener, inflicting a gash less than half an inch above his right eye, which required eight stitches to close. He also suffered minor abrasions and contusions. Police dispersed the mob and a warrant was issued for the Jewish hoodlum who wielded the beer can opener.

Commander Rockwell speaking in Washington

High Court Backs Nazi Speech

ALBANY, N.Y. June 9, 1961 — New York State's highest court, the Court of Appeals, agreed unanimously that Commander Rockwell cannot be denied the right to speak in Red Union Square. Last Year, city officials refused to issue the American Nazi Party a permit to speak against Communism and integration. Since then, the Party has been waging a battle in the courts for the right to speak in the Square.

Union Square has long been a hotbed of subversion where Communists openly plan and advocate the violent overthrow of our Government without any interference by officials. This fact places the City of New York in an embarrassing situation because it evidently appears that New York will permit and condone the *right* of Communists to preach treason, yet deny and suppress Commander Rockwell's right to preach *against* treason. Should the city seek to further appeal the matter, the case will then go before the U.S. Supreme Court for a final decision.

than humans. Even their hysterical pleading and begging to be shot got to be routine, and I, like the rest of us there, went about my tasks in that gruesome lab much the way I do my work in the garage where I am employed now.

I had been one of the attendants at the Berlin-Zehlendorf Institute of Technical Criminology and when the experiments were first ordered I was sent to various concentration camp labs to assist SS Sturmbannfuehrer Dr. Ding or Dr. Widman in handling the "subjects."

My conscience didn't bother me then because I accepted the Nazi rationale for such cruel experiments. "Thousands of our finest young, idealistic boys and men are freezing to death in the icy waters of the North Sea when their planes are shot down," went the reasoning. "If these brave, good men can be subjected to such suffering on behalf of their country why shouldn't criminals and deserters, who loot during bombings and rape during blackouts, suffer the same fate when their suffering might lead to ways to help save the lives of good men?"

To my mind, twisted by years of Nazi indoctrination, this made sense, and I steeled myself against the screams of these low creatures.

The Commander of the American Nazi Party wrote it himself The pictures— presumed to be "authentic," were supplied by the Jewish editors. Memorable Martyrs

This Month:

Paul Joseph GOEBBELS

From the desk of

THE COMMANDER

In spite of the fact that I know there will be many who will misunderstand, I am proud and happy to announce that we have at last made direct personal contact with Elijah Muhammed's Black Muslim movement. This leader and his lieutenants, for the benefit of those who are unfamiliar with the movement, are unlike any black men you have ever met before, or even imagined. They recognize that the masses of Negro people, misled and exploited by the same Jews who are tyranizing our people, are a sorry lot of lazy, unwashed, wine-soaked, hat-in-hand bums, --whom the Muslims actually call "niggers". Elijah Muhammed has succeeded in recruiting a million or more of these wretched people, and turning them into self-respecting, disciplined, clean, hard-working and proud people who do not drink, smoke, gamble, swear or otherwise act as we expect of the people we derisively call "coons". Elijah Muhammed is the Adolf Hitler of the Black Men, and wants NO PART OF WHITE MEN, -or our WHITE WOMEN. He wants ONLY a separate piece of geography for America's blacks, --and that is EXACTLY what Lincoln, Jefferson, Monroe, Washington and all our founding fathers preached for the solution to the race problem!

He will never get anyplace with a Jew-ridden administration, because the Jews, of course, are USING the ignorant Negroes as their balance-of-power voting block while they keep the rest of America evenly divided into two equal teams of "Republicans" and "Democrats". And he knows he will never get a black administration in Washington, although it sometimes seems that way. The ONLY way Elijah Muhammed can succeed is with the victory of SINCERE White Men, which means the American Nazi Party. The Jews HATE him, and give his inspiring movement the same "silent treatment" we get, so far as the Jews are able. That ought to be enough to win over any super-purists, but if not, they ought to hear the Muslims BLASTING the Jews for exploiting and cheating the Negroes, as they do!!!

Just as Destiny has shown a thousand times and in a thousand ways that we are doing the work of the Lord, to use religious terms, and that we cannot fail, the rise of Elijah Muhammed means that we are RIGHT about the race problem! It CAN be solved without bloodshed, without civil war and without half the population of the South going to Federal Penitentiaries. Elijah Muhammed has already won over huge numbers of Blacks, and we shall help him in every possible way to win over more. We urge those who want to see the race problem SOLVED, as we do, to support and UNDERSTAND this inspired Black Man. Do not listen to the Jew lies about "hate" and "extermination"; --they say the same things about us, ----remember?

When economic catastrophe strikes our phoney, war-scare "boom", as it will in five to eight years, we can solve the resulting unemployment and depression and our race problem at the same time by spending some of our billions of "foreign-aid" on our OWN Black People and with our own American building companies to create the sovereign and modern state we owe our ex-slaves. This is a much better "pump-priming" scheme than any war, and will result in a real HOME and DIGNITY for the black man, --and we will see our America once more WHITE!

I have been assured by the Black Muslims that we can count on any help they can give us, and have given them the same assurances of our help. The results of this long-needed White-Black alliance to SOLVE the race-problem will soon astound the world.

Can you IMAGINE the misery of the Jew liars as they try to either HIDE or represent as "hate" a joint rally of White and Black men, absolutely separate but in absolute cooperation, sincerely standing for a positive solution to the race-problem? Or can you imagine the indescribable frustration of a New York Jew, all dolled up in his concentration camp decalomania, screaming the usual hate-chants and trying to kill me in Union Square, --and being firmly blocked by a phalanx of Elijah Muhammed's formidable Black Storm Troopers?

OY! OY! OY! --It shouldn't heppin to a dog!
